

João Brígido Vieira

March 2020

Personal Information

Name	João Brígido Vieira
Location	Portugal
LinkedIn	linkedin.com/in/joao-brigido
Portfolio	joaobrigido.webflow.io/
Email	joao.b.r.vieira@gmail.com
Nacionality	Brazilian
Age	27

Member of the first class of BIM European Master with +5 as Structural Design Manager and BIM Manager on the making. I spend the last year studying Building Information Management with the best professionals from three major European universities becoming a resourceful BIM Coordinator with the ability to adapt to an even more digital future.

Experience

Age Jul 2015 – Sep 2019	Structural Design Manager ADC PROJETOS Brasília, Brazil Project Design - Concept, Development, Technical Construction - Support, AsBuild I coordinated the design of 20 residential buildings adding up to 225.000 m ² of reinforced concrete. Managed the information exchange through different Common Data Environments tools. Reengineered a four-tower real state structural project saving 300.000,00 dollars. Developed, implemented, and trained Scrum-based project management methodology. I worked my way up from intern to junior associated and have a deep understanding of all phases of the design process life cycle.
Jun 2014 – Jun 2015	Construction Intern AREA REALTY Brasília, Brazil I was responsible for site measurements and to assure quality check following ISO 9001.

Education

Expected, Sep 2020	BIM A+ European Master in Building Information Modelling University of Ljubliana - University of Minho - Politecnico di Milano Thesis topic: Scheduling optimization through historical databases supported by BIM
Feb 2011 – Dec 2015	MSc in Civil Engineering (UnB) University of Brasilia Brasília, Brazil Thesis topic: Study on pillar reinforcement and rheological stress transfer

Extracurricular Activities

Jan 2013 – Jan 2014

Student Council President | ENGINEERING STUDENT UNION |

Brasília, Brazil

We organized events and approached companies to raise funds to restore university facilities. I was responsible for representing all students weekly on meets with the professor's body.

Mar 2013 – Dec 2014

Human Recourses Coordinator | JUNIOR ENTERPRISE | Brasília,

Brazil

I coordinated a 2-week recruiting process for new members. Created and implemented new management tools. Organized workshops among members for sharing knowledge and software skills.

Skills

Languages

Portuguese (native)

English (fluent, TOELF 100)

Software

Navisworks (Intermediate)

Solibri (Intermediate)

BIM Collab (Intermediate)

Revit (Intermediate)

Dynamo (Intermediate)

TQS (Advanced)

MS Office (Advanced)

MS Project (Novice)

Soft Skills

Critical observation

Conflict management

Self-motivated

Dependability

Teamwork

Hobbies

NAUI scuba diver (shipwreck, turtles, and sharks so far)

Outdoor lover and Greenpeace member

Sports enthusiastic and NBA fan
