EDUCATION

Politecnico di Milano (Polytechnic University of Milan)	Milan, Italy
European Master in Building Information Modelling	Mar, 2020 - Jul, 2020 (Expected)
Universidade do Minho (University of Minho)	Guimaraes, Portugal
European Master in Building Information Modelling	Oct, 2019 - Mar, 2020
Hohai University (211-project university in China)	Nanjing, China
Master of Harbor, Coastal and Offshore Engineering	Sep, 2016 - Jun, 2019
Hohai University (211-project university in China)	Nanjing, China
Bachelor of Harbor Waterway and Coastal Engineering	Sep, 2012 - Jun, 2016

RELEVANT EXPERIENCE

- 2018 Volunteer, The 2018 Seminar on Harbor, Waterway, Coastal and Ocean Engineering**
Hohai University, China (2-day academic conference)
- 2017 Participant, International Society of Offshore and Polar Engineers (ISOPE)**
Zhejiang University, China (3-day academic conference)
- 2017 Student & Volunteer, The 2017 Postgraduate Summer School on Harbor, Waterway, Coastal and Ocean Engineering**
Hohai University, China (2-week full-time study in summer)
- 2017 Minister of Publicity Department of Student Science and Technology Association**
Hohai University, China (1 year - from Jun, 2017 to Jun, 2018)
- 2016 Class League Branch Secretary**
Hohai University, China (Over 2 years - from Sep, 2016 to Jun, 2019)
- 2016 Counselor Assistant, College of Harbor, Coastal and Offshore Engineering**
Hohai University, China (4-year part-time work from 2012 to 2016)
- 2015 Student, The 2015 International Summer School on Naval Architecture, Ocean Engineering and Mechanics**
Shanghai Jiao Tong University, China (2-week full-time study in summer)
- 2014 Head of Press Corps of Media Center**
Hohai University, China (1 year - from Jun, 2014 to Jun, 2015)
